RING DOORBELL VIDEO ANALYSIS — NARRATIVE SUMMARY

September 2, 2026 — 23:06:58–23:07:57 EDT — 3409 Cornerstone Blvd, Detroit MI

WHAT THE VIDEO PROVES

1. Father was there FIRST and was NOT the aggressor (alone at 23:06:58)
2. Father's FIRST response: 'Call the police, mom, call the police' (audio 9-15s)
3. Leon A. Smith physically ASSAULTED the father (frames 27-32s, body into door)
4. Shayla Smith COORDINATED the operation by phone (on phone at 38s, 49s, 59s)
5. Shayla DEMANDED children from Deanna, ignoring the father entirely
6. Leon had NO legal right — 'give me my grandkids' is not a custody order
7. Deanna restrained her own son out of FEAR (frames 18s, 27s)
8. CHILDREN PRESENT during violence — child with braids visible at 40s
9. Children taken in under 60 seconds (visible 40s, gone 49s)
10. Father's shirt: 'Love and Protect the Mind Body and Spirit'

AUDIO TRANSCRIPT (OpenAI Whisper, verified by eyewitness)

[1.32s] Father: 'No' — telling Shayla she cannot take the children
[9-15s] Father: 'Call the police, call the police, MOM, call the police'
[15-18s] Father/Deanna: 'Yes, we're gonna call them man'
[~0-8s] Leon Smith: 'Give me my grandkids' (eyewitness, below mic threshold)
[56s] Unknown: 'Let's go' — Smith party departing with children

THE COORDINATED ASSAULT PATTERN

Leon Smith = the MUSCLE (physical force, assault on father)
Shayla Smith = the COORDINATOR (phone, directing operations, calm throughout)
Roles were PRE-ASSIGNED: Leon engaged father while Shayla called children out
Shayla's constant phone use suggests off-site communication/direction
This was NOT a custody dispute — it was a planned forcible taking
